**CITATION**

**Released: June 28, 2004**

By the Resident Agent, Portland Office, Western Region, Enforcement Bureau:

1. This is an Official Citation issued pursuant to Section 503(b)(5) of the Communications Act of 1934, as amended ("Act")<sup>1</sup>, to the Club Works Sound and Lighting ("Club Works") for violation of Section 302(b) of the Act and Sections 2.803(a) and 15.209 of the Commission's Rules ("Rules").<sup>2</sup>

2. Investigation by the FCC's Portland Office revealed that on August 5, 2003, the Club Works Sound and Lighting bought two handheld wireless microphones, model WR-422-U, from FLECO Corporation (Invoice Number 425379). These wireless microphones subsequently were sold to and used by The Oasis restaurant and caused interference to amateur radio station WA7ABU on the frequency 439.55 MHz in Salem, Oregon.

3. On December 5, 2003, an agent of the Commission's Portland Office inspected the microphones and determined that the units were operating on amateur radio frequencies 439.55 and 432.55 MHz. The agent measured the field strength at 1500 microvolts/meter at a distance of 3 meters from the referenced wireless microphones and determined that the microphones were in non-compliance with Section 15.209 of the Commission's Rules, which apply to intentional radiators.

4. Further investigation revealed that the devices bore no FCC equipment authorization or any other unique identification label as required by Section 2.925<sup>3</sup> of the Rules for radiofrequency devices marketed in the United States. During an interview on December 5, 2003, the owner of the Club Works admitted that he had sold a total of eight uncertified wireless microphones of the same model and he was in the process of recalling and replacing them by the certified units.

5. Section 302(b) of the Act, provides "[N]o person shall manufacture, import, sell, offer for sale,

or ship devices or homes electronic equipment and systems, or use devices, which fail to comply with regulations promulgated pursuant to this section.” Section 2.803(a)(1) of the Rules provides that “...no person shall sell or lease, or offer for sale or lease (including advertising for sale or lease), or import, ship or distribute for the purpose of selling or leasing or offering for sale or lease, any radio frequency device unless: (1) In the case of a device subject to certification, such device has been authorized by the Commission in accordance with the rules in this chapter and is properly identified and labeled as required by §2.925....” The Club Works sale of these devices violates both sections.

6. 8. This Citation shall be sent by First Class U.S. Mail and Certified Mail, Return Receipt Requested, to The Club Works Sound and Lighting, Attn: Dane Shepherd, 3385 Hawthorne Avenue, NE, Salem, Oregon 97305.
